When the Occasion is Formal

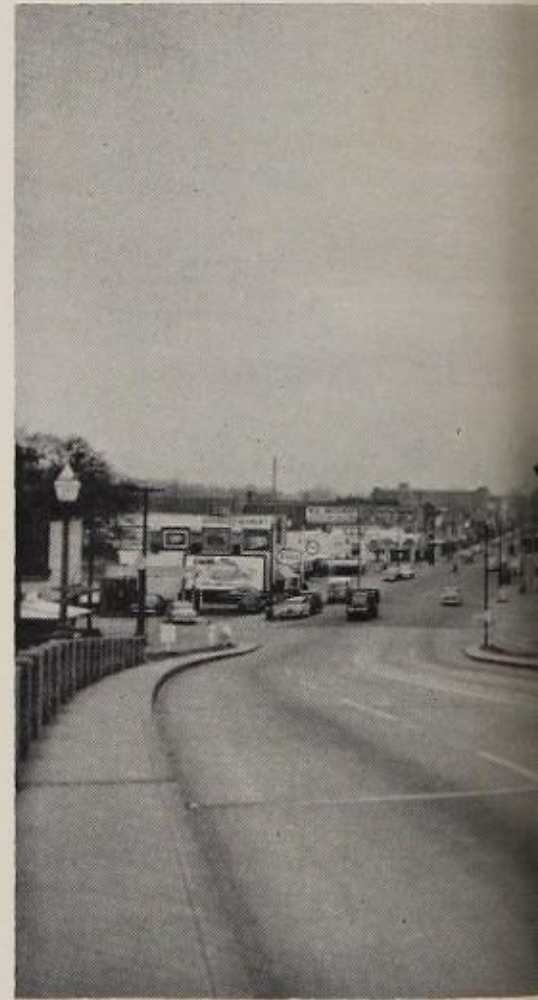

GENERAL THOMAS SUMTER

The British Called Him "The Gamecock"

Seniors study the portrait of the great partisan leader of Revolutionary War days, who, with his patriot bands, once roamed the hills of nearby Statesburg, hills beautiful today with immense live oaks festooned with misty gray moss.

Looking at the portrait, left to right: Charles Mood and Sara Wimberly (on the left), George Thomas (on the right).

THE GAMECOCK CHALLENGE

To fight for the ideals of democracy, ideals as old as the Revolution, ideals beleaguered today by insidious enemies of all that is truly American—youth is challenged.

The British called him "The Gamecock," on account of his fighting qualities—Thomas Sumter. He was an American. It was the gamecocks of America that won American freedom.

Yes, ours is a country founded on zeal for freedom, fostered by love of freedom, and, now,

challenged to look to the security of that freedom threatened.

Thousands of young Americans—aviators, soldiers, sailors, and marines—are doing their part.

What can high school students do?

The workshop for democracy is the public school. The foundation, education and character. The builders, the boys and girls. Democracy is threatened.

Youth is challenged.

Looking Northward toward Sumter, the Gamecock City.

TRUE SCION OF THE THOMAS SUMTER CLAN

Seniors enjoy a visit from Marion ("Sugar") Cain, who, in 1950, played "head up" football for the high school "Gamecocks," of which club he was captain. Today, this 20th century descendant of the Revolutionary War hero is serving in the U. S. Marine Corps.

Shown in the picture, left to right, are: Sammy Gantt, Marion Cain, Charles Mood, George Thomas.

IN APPRECIATION...

TO MISS ELIZABETH HEPBURN, who has worked long and tirelessly with us to make this book a treasured reality. Giving generously of her thought and energy, she has won our affection and esteem, and has earned our admiration for her genius at making a yearbook a vivid portrayal of senior life and activities.

The Class of 1953 says simply, as have the other classes before us,

"Thank you,

Miss Hepburn

. . . from our hearts!"

Democracy is an ideal toward which the free world is ever reaching, and America, the strongest of these freedom-loving nations, is the accepted leader. The youth of America, therefore, must be trained, more and more, to assume and carry out responsibility, to grow in worthy leadership. They must grow in character to oppose the wrong. They must grow in intelligence to rally others to the support of the right. Youth is challenged.

MARSHALL TOBIAS
President of the Student Body

Marshall's character is of stature as high as he is tall. That is the reason why the student body of Edmunds High School grew in worthy citizenship during his presidency. In sports, Marshall was outstanding in both basketball and baseball. He was president of the student council. He was a member of the Hi-Y Club. He was easily the most influential student in the school.

Students, beginning back, right, and reading clockwise: Jane Chandler, Warren Carraway, Betty Lee Holman, Molly Ramona Heppding, Bett Lee, Martha McMillan, Delano Knight, Mary Frances Forester, Barbara Bruce, Frank Bryan, Carl Saunders, Marshall Tobias, D. Hammond, John Duffie.

THE ORGANIZATION OF THE COUNCIL

The student council is a representative body of all the students in the school. Its primary purpose is to give training in democratic practices in school control. It works to foster good citizenship, to create whole-hearted cooperative school spirit, to help students build good character, and to enrich school life through beautification of building and grounds, and by providing wholesome recreation and social entertainment for all.

The small council is composed of the class officers of the four classes and the student body officers. This body meets every week, with a faculty adviser. The large council is made up

of the small council, the homeroom presidents, and the chairmen of standing committees. This body meets every two weeks. The small council is the executive body. The large council is designed so that all the students may be informed of what is being done through their homeroom presidents.

The Awards Points System adopted by the council went into effect for the first time in '50-'51. This system limits the number of offices a student may hold. No student can accumulate more than ten honor points a year. In this way more students are given the chance to have a voice in student government.

MEMORIAL WEEK

The student council sets aside a week every spring as Memorial Week, honoring our boys who gave their lives in World War II. During this week the school, through freewill offerings to the Edmunds Memorial Scholarship fund, dedicates itself anew to the cause of freedom and right and religion.

DIVERSIFIED OCCUPATIONS COMMERCIAL DEPARTMENT

Since 1947, the Commercial Department of Edmunds High School has offered a program in Diversified Occupations to seniors seeking part-time employment. The commercial majors receive training in the business offices of the community, and they are rewarded with a remuneration comparable to that of regular workers engaged in secretarial practices or general office work. They are permitted to leave school at one o'clock daily to work a minimum of 20 hours a week as typists, bookkeepers, stenographers, and general clerical workers.

The school gives a credit of one unit for the related instruction, and one-half unit for the work experience.

DIVERSIFIED OCCUPATIONS

Diversified Occupations is a program of vocational training intended primarily for boys and girls who plan to enter full time, gainful employment upon graduation from high school.

The only requirements for entrance to the program are that students be 16 years of age, either juniors or seniors, and desirous of learning a trade or occupation.

D. O. students are required to work 20 hours weekly and study related information in class daily.

DIVERSIFIED OCCUPATIONS. Speaking to group: Mr. B. O. Compton (Coordinator). First row, left to right: Joella Campbell, Lois Scott. Second row, left to right: J. D. and crazy as you are now. Guess
we'll still be a'hoping and end
up ol' maids. Love n' luck always
and always! Love ya'
Susie

The high schools of America cannot put too much emphasis on the need both of keeping ourselves informed about the world of events around us and of learning such basic subjects as mathematics, science, and social studies. Thus only shall we be able to cope intelligently with difficult situations that may arise in a world of unrest and hatred and corruption till the glad day when right and righteousness will prevail and peace come to the earth.

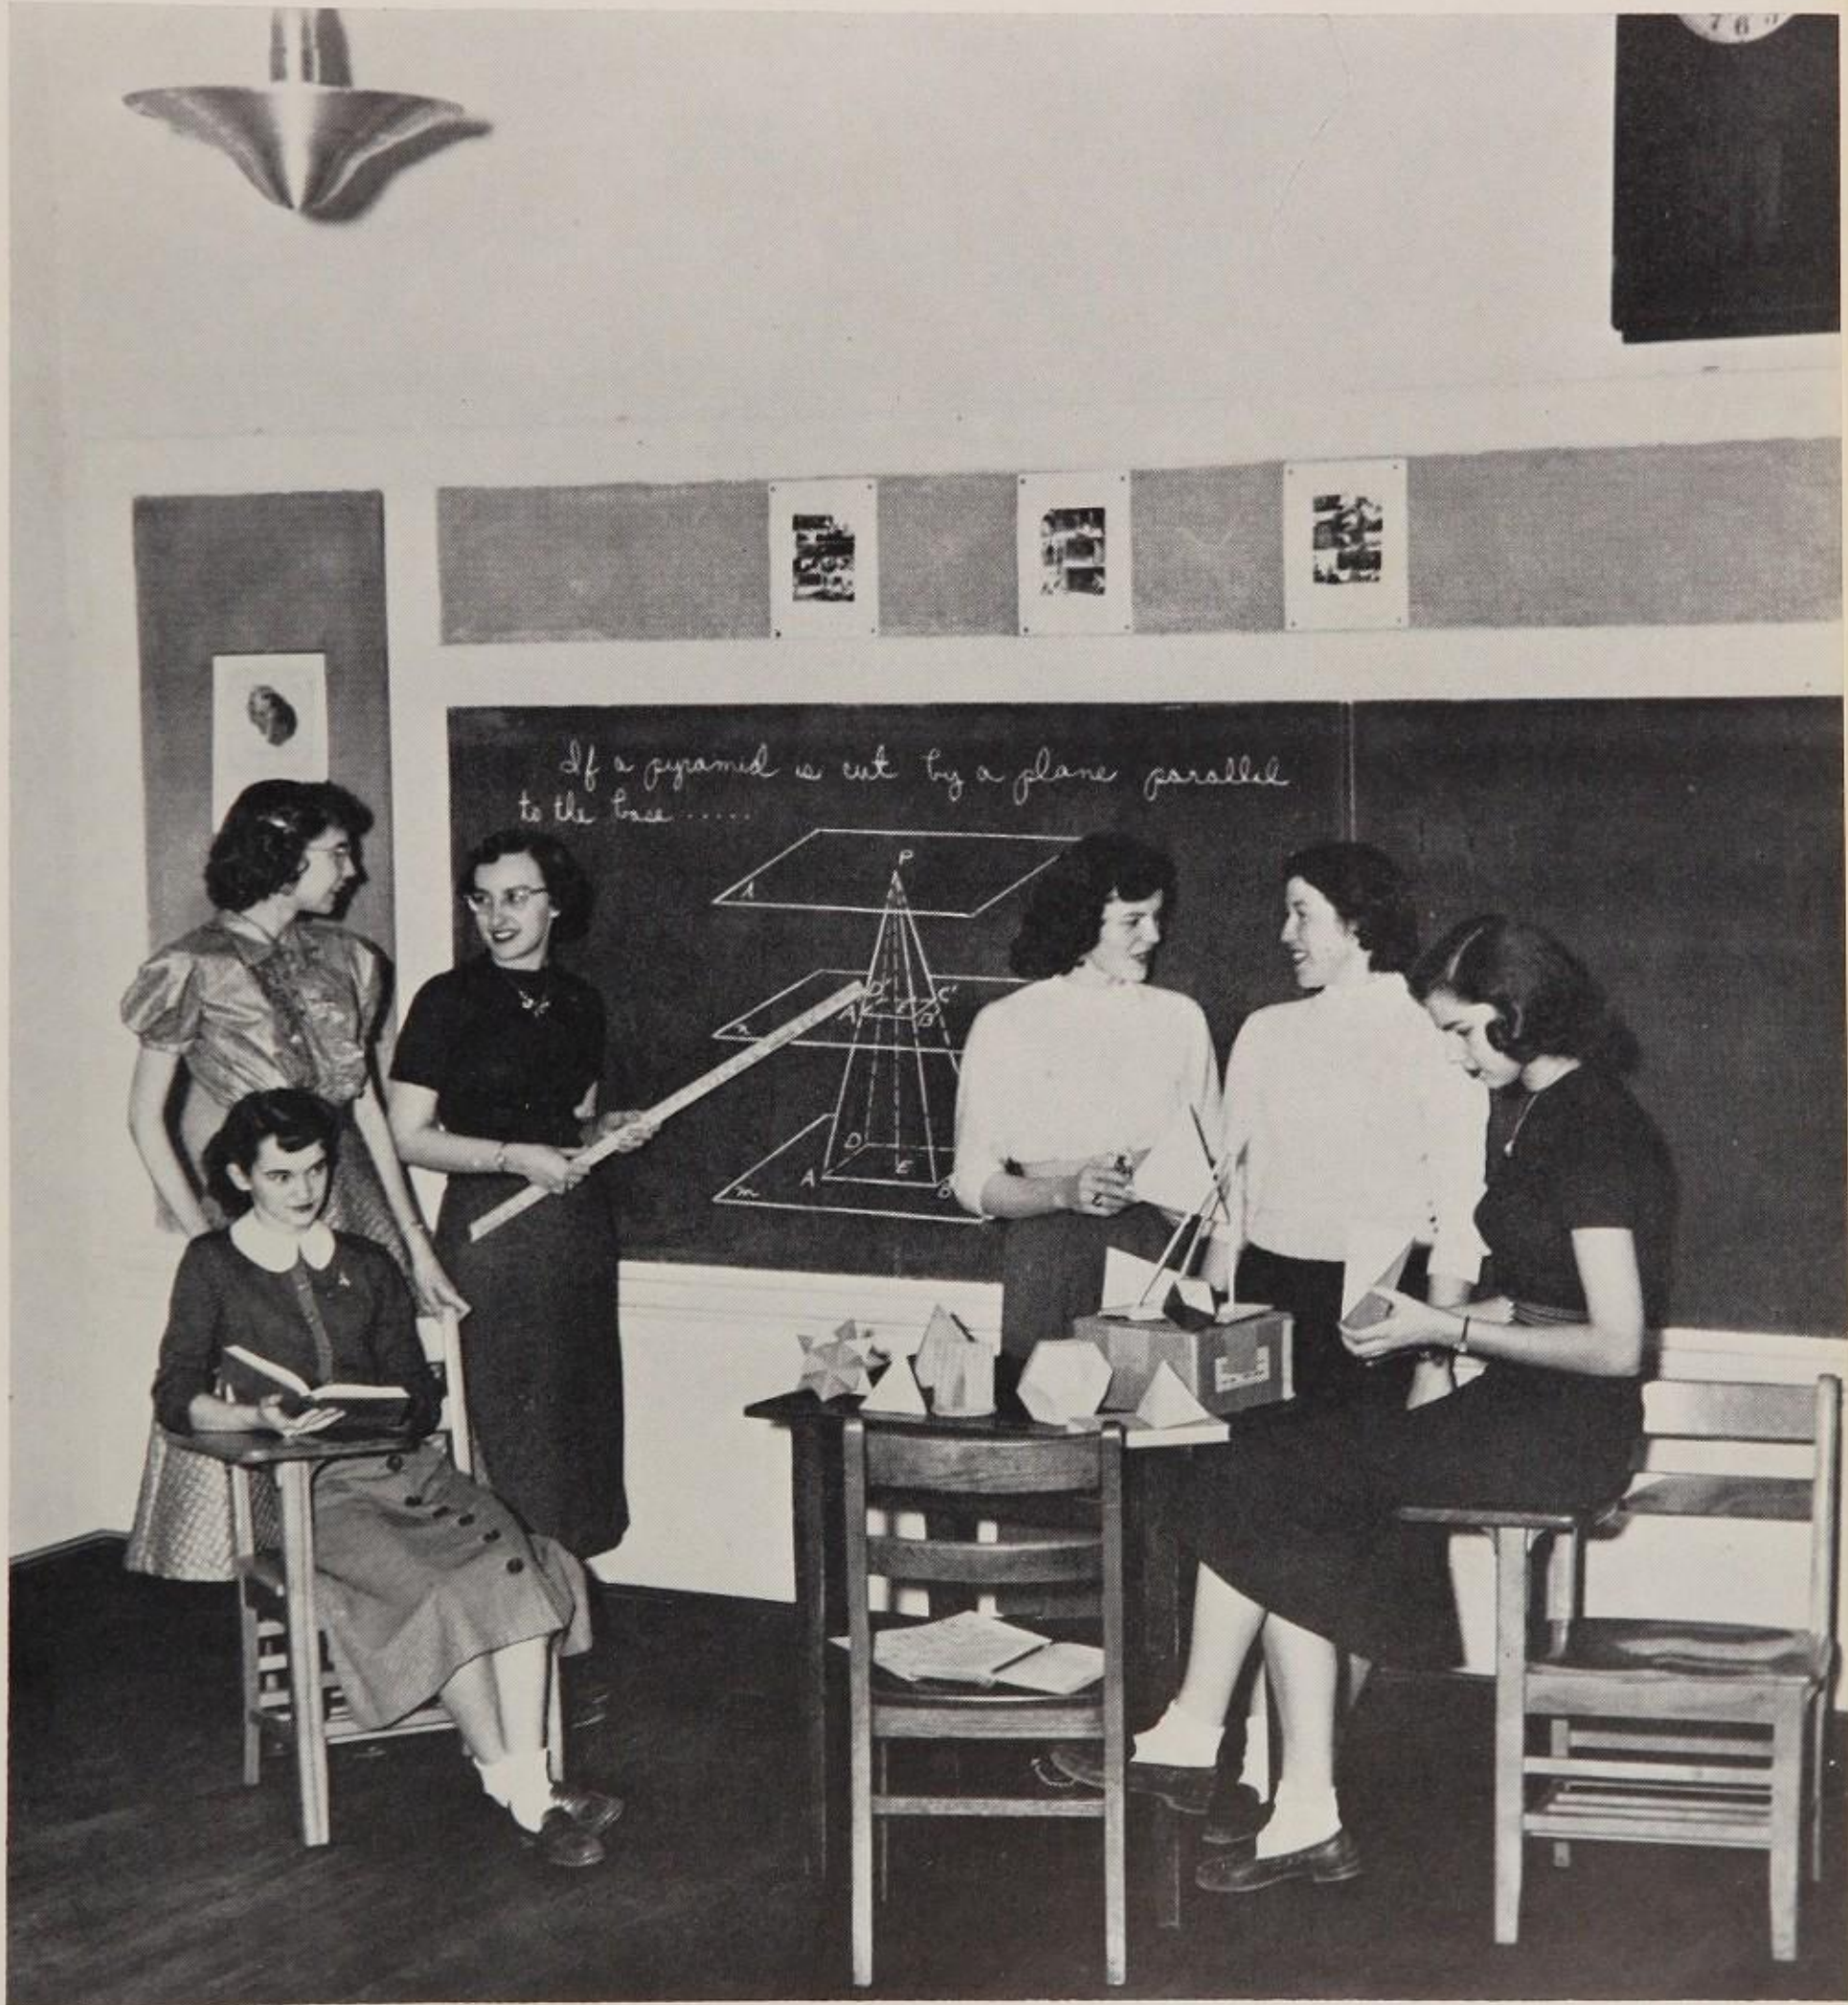

Carolyn,

I sure have enjoyed
knowing you this year.
Remember our club and

SENIORS

SCHOLARSHIP

JOHN DUFFIE
President of the Senior Class

John was one of the best all-round students that ever passed through Edmunds High School. He was always an officer and always a member of the student council. He played varsity football and varsity basketball. He was sports editor on both *High News* and *Hi-WAYS*. He was a member of the chorus. He was a commencement speaker.

John will be sorely missed next year.

The Senior Class Officers

AFTER BALANCING THE BUDGET

Left to right: John Duffie, President; Caroline Burrows, Vice President; Carl Saunders, Secretary; Carol Knight, Treasurer.

Under the leadership of these officers, the senior class was truly outstanding in its achievements this year.

Their first great achievement was a material one. In their magazines sales project, they sold \$8,285.10, setting up a record that could well be the despair of all succeeding classes—but won't, as long as the old Sumter spirit holds.

In the cultural field, they sponsored for their senior play a classic, "The Little Minister," setting another high standard and challenging all senior classes to come to "hitch your wagon to a star."

VIEWS . . . AND VIEWS

We hated it—the view from our windows! There were trash cans (without the trash, which littered the ground). Weeds took everything and thrived in mud and coal dust. There was a fountain, from which no water could be coaxed. Bicycle racks in various stages of dilapidation completed the eyesore.

But, ah!

We had found our project!

Homeroom 104 changed that view. They cleared and planted and mended and watered till the ugly court became the show place of the school grounds.

You can see for yourself.

THE CREED . . . AND CHARACTER

The Honor Principle and Creed play an important part in our life at Edmunds High School. They inspire each student to live up to the highest standards of conduct without a formal set of rules and regulations.

Homeroom 206 took as this year's project the study of the Honor Principle and Creed.

To stress the teachings of these, the students say the Principle and Creed every morning, at the period set aside for devotional exercises.

Thus the Creed builds character.

Among these gifts were food, warm clothes, fuel, medicine, and . . . occasionally a doll or a train.

CLEAN-UP YEAR FOR 111

Homeroom 111 took as its year's project to keep the back of the stage clean and straight. It seemed a hopeless job at the beginning. If there was a place for anything, nothing was in its place. Everything was so cluttered, they literally had to dig in.

But 111 was not to be outdone. They pulled off their coats and rolled up their sleeves and sweated for it. They dugged and delved and finally brought order out of chaos.

What price cleanliness!

But they have decided it is easy to keep, once it is straight. Try it sometime.

ADOPTION OF NEEDY FAMILY

Homeroom 109 furnished a delightful Christmas for a family of six people. Among the gifts for the five children were a bicycle, dolls, a miniature fire engine, a decorated tree, and many surprise packages.

The homeroom also furnished a complete Christmas dinner, including not only the traditional turkey but also two ducks and all the usual "accessories."

This very worthwhile project brought as much happiness to the homeroom as it did to the family.

"THE LITTLE MINISTER"

A SYNOPSIS OF THE PLAY

When Gavin Dishart came to Thrums to take over his first parish, he was distressed to learn that the weavers, led by a gypsy girl, were in constant uprising against starvation wages paid them by Lord Rintoul.

He determined to try to prevent further riots and to admonish the girl leader.

But Babbie's beauty and fire and watchful care of the poor and the friendless made Gavin forget the difference between a Scottish minister and a gypsy lass.

Rob Dow, the young minister's first and best friend among his parishioners, saw his idol's attachment to the Egyptian and led the people in an uprising of protest.

However, Gavin Dishart had won the hearts of his people, and, therefore, he was able to make them see that even a gypsy is a child of God.

"YOU'D SEND HER TO THE POORHOUSE"

Left to right: Ted Lide, Dr. McQueen; George Thomas, Gavin Dishart; Charlene Hess, Nanny Webster; Llawayne Onley, Babbie.

"EARLY THIS MORNING, I WAS MARRIED ON THE HILL, OVER THE TONGS, BUT WITH THE SANCTION OF GOD, TO HER WHOM YOU CALL—THE EGYPTIAN."

THE JUNIOR CLASS

MRS. B. R. WHITE, Adviser

O RING DAY!

It was not a project but a red letter day in the lives of all juniors at Edmunds High. Ring Day! "1954" was on the ring, for anybody to see. Graduation was in sight. These rings set the juniors apart in a class by themselves. Green-eyed freshmen marvelled at them. Smug sophomores promised themselves, surreptitiously, a larger stone in their rings. Grave seniors looked on and smiled at the childish enthusiasm of the sweet young things.

*" . . . feeds three—
Himself, his hungry neighbor,
and Me."*

The traditional sophomore class project is that of providing, through freewill offerings, out of the abundance or sacrifices of others, a wonderful Thanksgiving for the sick and the needy of the community.

The Class of 1955, by short pleas over P. A., by contacting homerooms personally, and by creating again the spirit of the Pilgrims through the columns of *High News*, through Pilgrim posters, and through daily reminders by "collectors" at your homeroom door every morning, did a magnificent job.

COURTESY TO THE FLAG

The freshmen are trained in correct procedure as to the Flag, during which time they learn to love and reverence it as never before. Theirs is the duty, throughout the year, of hoisting the Flag in the morning and of taking it down and putting it away at the close of the day. This responsibility rotates by homerooms, and each homeroom takes pride in a job well done.

"There is nothing more beautiful than reverential youth."

A school, to be a good school, must give its students the opportunity of an all-round development in good citizenship. There must be mental sports as well as physical, and aesthetic training as well as logical and practical. There must be debates as well as football, and music as well as debates.

Experiences in democracy are necessary to prepare young Americans for the fight that is theirs of keeping America strong in her stand for a free world.

THE JUNIORS' 1952 SEASON

The 1952 American Legion Juniors were not supposed to get by the district elimination, but again, as in 1950, Coach Hutch Hutchinson carried his boys to the Sectional playoff and into being one of the ten best teams in the United States.

After losing two out of the first three games, the Juniors won seven straight to take the district title from Darlington, Florence, Olanta, and Timmons ville.

By defeating Mullins in three out of five games and Rock Hill in three out of four games, they took the lower state title.

Again, as in 1950, Sumter's Juniors played the favored Greenwood Juniors for the state championship, winning that title in a four out of seven series.

Sumter then traveled to Florence where after losing the first game they came back strong defeating Jacksonville, Fla., Montgomery, Ala., and Marietta, Ga., for the Regional 5 Championship.

Charleston, S. C., was host to the Sectional Tournament, in which Sumter S. C., Memphis, Tenn., and Austin, Tex., were the contestants. As in the Regional Tournament, Sumter lost the first game; this was lost to Memphis in a hard-fought contest, which wasn't decided until the last out. The Austin "Buddies" then handed Sumter their second defeat in the double-elimination tournament.

The Juniors were given a rousing welcome home, where they were recognized as true champions.

MAYOR CONGRATULATES COACH

Mayor Shaw is shown as she bestows a congratulatory kiss on the cheek of Coach Hutchinson, whose work helped the boys reach the point where they were one of the last ten teams left in the nation-wide series of tournaments leading to the United States Championship.

GAMECOCKS WIN 18 OUT OF 20 GAMES IN 1952

Sumter High's 1952 baseball Gamecocks behind the first-rate pitching of Leland Brown, Leonard Humphries, and Paul Andrews, compiled an outstanding record of 18 wins against only two losses. In building this record, the Birds won twice from Florence, Orangeburg, Columbia, Brookland-Cayce, Eau Claire, Darlington, Hartsville, and Camden. E. H. S. beat Dreher and Greenwood once each.

After winning their first 14 games, the Gamecocks lost to Dreher 3-5. The other defeat came at the hands of Greenwood in the last

game of the season by a 1-5 score. The Birds had previously beaten Dreher 6-5 and Greenwood 7-0.

Coach Fred Withers, after taking all things into consideration, claimed the mythical state championship for his Gamecocks. The claim went unchallenged.

Catcher Jimmy Russell, shortstop Robert Richardson, and first baseman Marshall Tobias were the team's leading batsmen. Russell "sticked" a lusty .393, while Richardson and Tobias had .368 and .356 respectively.

A PREVIEW OF WHAT THE 1953 BASEBALL SCORE MAY BE

Coach Hutchinson's 1953 baseball team has already won six of their first seven games of an 18 game schedule.

Senior shortstop Robert Richardson was again pacing the Bird hitting department, while Sonny Husband was leading the pitchers with three victories.

Other last-year men on the team were Marshall Tobias at first base, Sammy Gantt at second base, Irvin Plowden at third base, R. B. Geddings in left field, and John Duffie in center field.

Billy Glasscock, hard playing center, sparked the Gamecocks onward throughout the season with his shining performances. His opponents will well remember him for his ability to open up the line and for his bone crushing downfield blocking. He added greatly to the Gamecock wins.

Ladson Cubbage, the team's hefty tackle, played inspired ball on both offense and defense. "Big Ben" was essential to the Gamecock line and it was not uncommon for him to play the full forty-eight minutes. Ladson was placed on All-State teams and also played in the Shrine Bowl game.

THE 1952 FOOTBALL SEASON

SUMTER 14—EAU CLAIRE 0

The 1952 edition of Sumter High School football got off to a rosy start as our Gamecocks defeated Eau Claire's Shamrocks 14-0.

The Birds scored both of their touchdowns in the first quarter. Fullback Jack Shorter bulled over from the E. C. five for the initial tally, and George Thomas ran ten yards around end for the other. Thomas ran for both extra points.

Neither team could muster a successful drive throughout the remainder of the game.

SUMTER 12—CAMDEN 32

Sumter's Gamecocks came back strong in the second half of the Camden game to prevent a humiliating defeat at the hands of the Bulldogs. Camden led 25-0 at the half, having scored at will during this time.

The Birds were a new team in the second half as they scored twice to the Bulldog's once. John Duffie scampered two yards for the first Gamecock 6-pointer. Jimmy Glasscock drove nine yards for the second.

SUMTER 19—COLUMBIA 0

The Birds bounced back into the win column with an easy 19-0 victory over Columbia's Caps.

Quarterback Richard Bradham made a nice 20-yard run for the first score to climax a 59-yard march. A few minutes later Lee Mixon plunged six yards for the second. The Birds' last T. D. came on a 2-yard sneak by Bradham. He passed to end, Hubert Hodge, for the extra point.

SUMTER 7—DARLINGTON 6

Darlington's Blue Devils were the next victims of the Gamecocks, but they put forth quite a fight before bowing out 7-6.

The first half was a display of Sumter's inability to score after carrying the ball to within the shadow of the goal.

Following the second half kickoff, George Thomas plunged three yards for the lone Bird tally. Bradham kicked the important extra point.

Lots of back always Lee Mixon (20)

The Blue Devils then took to the air. Their aerial game paid off in six points in the late minutes of the game, but they failed to run the P. A. T. over.

SUMTER 21—DREHER 20

Our Gamecocks then proceeded to stop the ever potent Dreher Blue Devils' 14-game winning streak by a spine-tingling 21-20 score in one of the most exciting high school football games ever played.

Sumter launched a sustained 77-yard scoring drive immediately after the opening kick-off. Jimmy Glasscock bulled the last two yards. Bradham's conversion was true.

Dreher came right back to knot the score at 7-7 as the half ended.

George Thomas got things rolling nicely in the third quarter as he scored on a screen pass from Bradham four plays after Tucker had recovered a Dreher fumble on the Bird 35. Jack Shorter duplicated Thomas' beautiful run a few minutes later on a screen pass in the left flat covering 22 yards. Bradham kicked both extra points to give the Birds a 21-7 lead.

Dreher came back with two touchdowns and an extra point, but it wasn't enough. Jimmy Paul, Jimmy McDaniel, Clyde Mixon, and Hubert Hodge all broke through the line to block their final conversion attempt.

SUMTER 27—HARTSVILLE 0

The Birds then journeyed over to Hartsville to hand that town's Red Foxes a 27-0 defeat.

Twenty of Sumter's points came in the first half. A touchdown was made by Hodge on a fourth-down pass from Bradham, another by Bradham on a pass play from Shorter which covered 37 yards, and a third by Shorter on a five-yard plunge. Bradham kicked one P. A. T., and passed to Duffie for the other.

The last Gamecock tally came when Duffie drove over from two yards out. Bradham again converted.

SUMTER 7—ROCK HILL 18

Rock Hill's Bearcats started a Bird four-game losing streak by defeating the luckless Gamecocks 18-7.

The Bearcats scored twice on long pass plays and on a nice run by Ray Head. Sumter's lone T. D. came on a pass from Bradham to Thomas. Bradham converted for the P. A. T.

Geddings, Paul, Hodge, and McDaniel played well in the Bird line.

SUMTER 0—ORANGEBURG 7

The "county fair jinx" continued to hold the Gamecocks in check as Sumter lost to Orangeburg 0-7. Fumbles, penalties, and pass inter-

ceptions proved fatal to the Birds, who outplayed the Indians.

R. B. Geddings, Cubbage, McDaniel, and C. Mixon led the Sumter line, which played a good game.

SUMTER 6—CHESTER 33

Chester's Don Shealey made a 90-yard punt return behind some terrific blocking to score the Red Cyclone's third touchdown and break the Sumter Gamecocks' backs. Up to this time, the Birds were matching their powerful opponents almost blow for blow. Chester then scored twice more to win 33-6.

Jimmy Glasscock scored the Bird T. D., driving three yards behind big Ladson Cubbage. Jack Shorter had helped to set up the score with some nice gains.

SUMTER 13—GEORGETOWN 20

Georgetown's Gators took advantage of every Sumter mistake to defeat the Birds 20-13. The Gamecocks again couldn't muster enough punch to carry the pigskin on over after getting within the ten-yard line.

The Gators scored first on a pass play, but missed the P. A. T. This enabled Sumter to take a short-lived 7-6 lead a few minutes later, only to give it away when Georgetown tallied two quick T. D.'s and both extra points. Shorter bulled over for the 6-pointer from three yards out. Bradham passed to Clyde Mixon for the point.

Shorter scored again in the last quarter on another short plunge.

SUMTER 18—FLORENCE 13

Our Birds journeyed to Florence for their last game and brought home the bacon in the form of an 18-13 victory over the Yellowjackets.

The Jackets racked up a quick 13-point lead the first two times they got the ball, but the spirited Birds came back strong to make it 13-12 at half time.

Bradham passed to Thomas for Sumter's initial six. Hubert Hodge set up the next Bird score, taking a Bradham pass and speeding to the Jacket two before being stopped from behind. The play netted 65 yards. Shorter lugged it over on the next play.

Shorter made the final Bird touchdown in the third quarter on another line plunge. He, Bradham, and J. Glasscock had run nicely to set up the score. Neither team scored again, but Florence missed by a hair in the last minute of play. The game ended as the Gamecock line threw the Jackets' last try back for a loss from the Bird one-yard line.

Lee Mixon, Bird halfback, was the defensive star of the game as he made numerous tackles

of Florence backs who had broken into the clear.

The win gave Sumter's 1952 footballers a record of 6 wins and 5 losses for the season, a respectable .545 percentage.

THE 1952-1953 BASKETBALL SEASON

E. H. S.'s 1952-53 basketball Gamecocks defeated some of the state's best high school teams and lost to some not too strong, as they hung up a 13-10, won-lost, record for the season. The Birds won but three out-of-town games while losing only two at home, these two being to Greenville and Parker.

Archrival Florence handed Sumter a 32-35 overtime defeat in their small gym to start the season with a sour note.

The Birds bounced back to take three straight, defeating Columbia 52-37, University High 43-29, and Hartsville 46-45, in that order. This gave them a 3-1 record going into the Christmas holidays.

Sumter started the new year right by staving off a late Orangeburg Indian rally to win 46-40. This set the stage for the worst road trip

any E. H. S. team ever suffered. The Piedmont's "Big Three," Greenville, Parker, and Spartanburg, handed defeats of 44-54, 44-53, and 39-58, respectively, to our Birds.

The Gamecocks poured a 61-40 defeat on Florence to avenge an earlier loss, but dropped a 46-60 decision to Dreher the following week. Hartsville was no match for the Birds as we gained a second win from them, 75-49.

Our Gameroosters then journeyed to Charleston where a spirited Bishop England High School team dropped them 44-58. The next afternoon our Birds won an overtime thriller from The Citadel Freshman team, 52-51.

University High stopped Sumter, 51-55, in a close game, and three days later Parker easily defeated the Birds 39-50.

The next week our Gamecocks won twice against three of the state's best teams. On Tuesday night the inspired Birds beat Dreher 68-43. They lost to Greenville, 45-56, Friday, but came back Saturday to defeat Spartanburg, 52-49, in an overtime breath-taker. This last game was one of the season's best-played and best-to-watch.

Sumter ended the season by winning four of their last five. Rock Hill was an easy victim twice, by scores of 70-51 and 64-55. Orangeburg wasn't as soft, defeating E. H. S. 47-57. The Gamecocks finished with 75-53 and 71-36 victories over Bishop England and Columbia.

Four of the regular five starting positions were most often taken by center "Tap" Tobias, guards Robert Richardson and John Duffie, and forward Jimmy Paul. Tommy Kerlin, Fred Strange, John Everette, and Kenny Rosefield alternated at the other forward slot. Alex Grubbs was the first sub at guard.

Taking all things into consideration, the Birds' 13-10 record for the season was highly commendable.

THE HANDBOOK COMMITTEE

Left to right: Jane Chandler, Frank Bryan (standing); Franklin Kelley; Marshall Tobias; Miss Ethel Burnett, Student Council Adviser.

THE HANDBOOK

In order that they might have constantly before them the principles governing the life of Edmunds High School as a whole, the traditions which have been established through the years, and the ideals to which the school aspires, all students in the school are given copies of the handbook.

In the freshman class it is used as a unit of work.

The handbook is published by the student council.

THE DIRECTORY

No other publication in the school is more generally used than the directory. It gives helpful information about the organization and activities of the entire school, including both faculty and students.

It also gives such handy information as names, addresses, and telephone numbers.

The directory is published by the Trade and Industrial Club, of which Mr. B. O. Compton is sponsor.

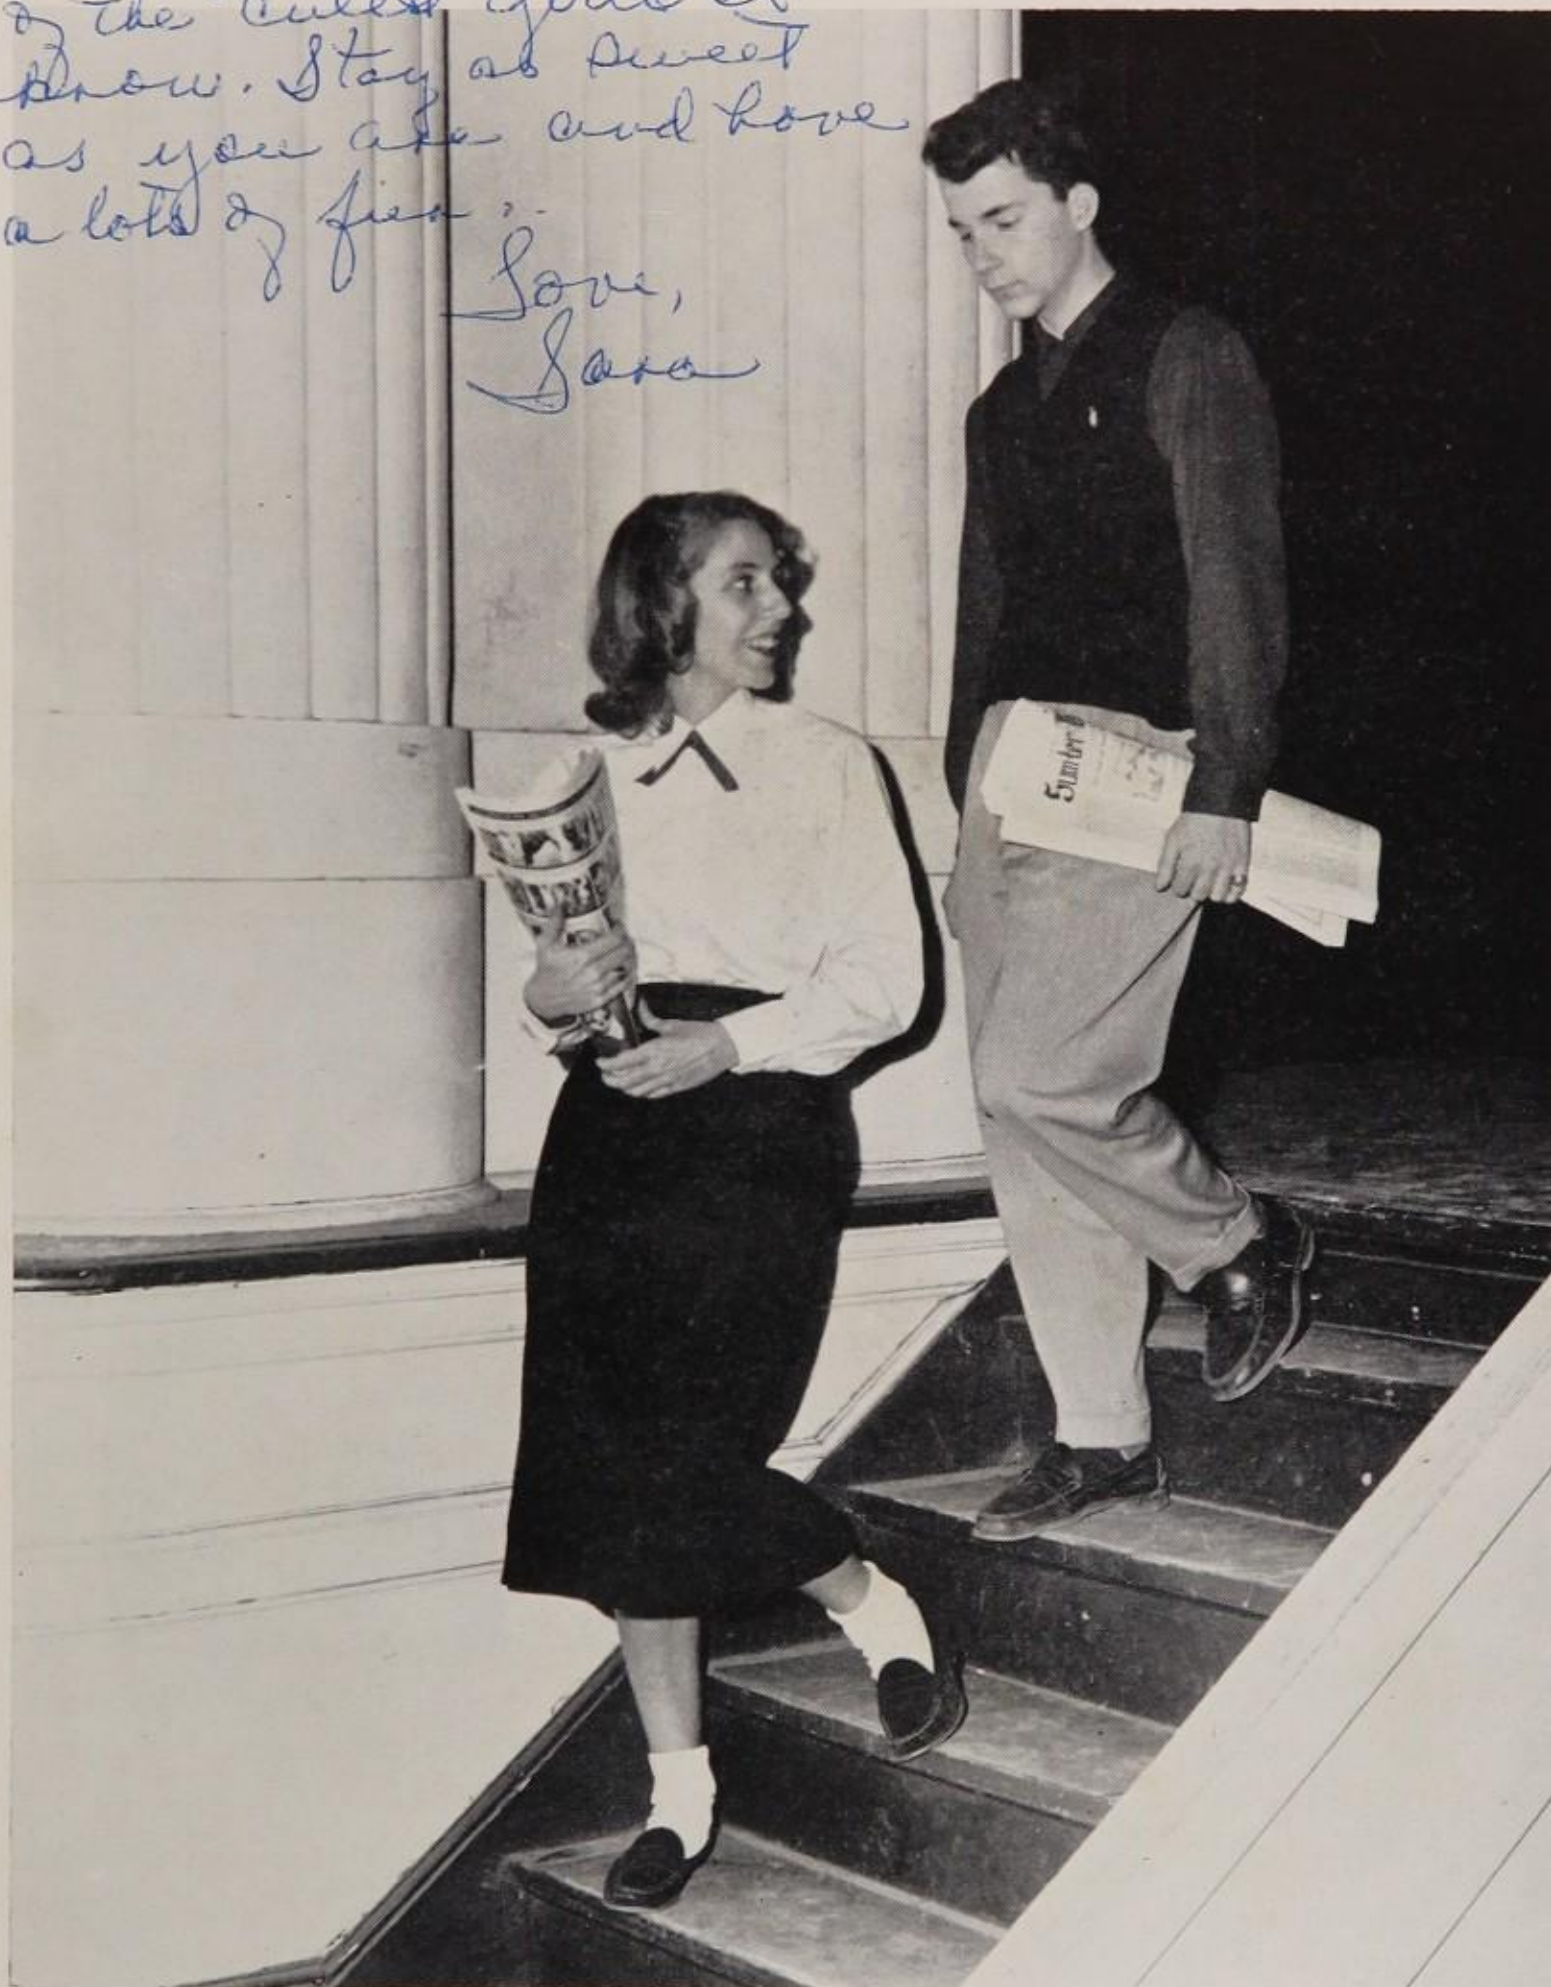

THE DIRECTORY STAFF

Left to right: Otis Geddings, John Allen Russell, Richard Evans (standing), Annette McLeod, Willie Timmons (standing), Joella Campbell (at the typewriter).

ALL WITH EYES ON THE DEAD-LINE

Around first table, left to right: Alvenia Winegard (typing), Jacquelyn Foster, Marguerite Johnson, Barbara Hall, Gloria Graybeal, Jackie Pitts, Virginia McMillan, Lillian Weatherly.
 Around second table, left to right: Peggy Snead (turning to speak to someone at the first table), Sara Wimberly, John Duffie, Sidney Stubbs, Shirley Stone, Carol Knight, Llawayne Onley.

Lots of luck, always. Unfortunately will both be back next year! "Bugs!"

QUILL AND SCROLL

Left to right: Hugh McLaurin, Sep Harvin, Shirley Stone, Carol Knight, Marian Shaw. Absent: Christine Watson, John Duffie.

Quill and Scroll is an international society for high school journalists. For membership, a student must be a junior or a senior; he must stand in the upper third of his class; he must do superior work on the newspaper staff; he must be recommended by his adviser and approved by the Society.

HIGH NEWS SERVES THE SCHOOL

Through *High News*, students are given accounts of all events that take place in and around school and—so far as possible—events to come.

Students love these: Accounts of games, debates, music contests, and social events. They watch for fashion hints, personality write-ups, book reviews, and tips on the current popular records.

In serving the school, *High News* serves the community.

L'ENVOY

We shall always prize it, Hi-WAYS,
history of the Class of '53.

There's a sadness in the old song—

"Where, oh, where are the
grand old seniors?

Lost — lost — in the wide
wide world."

But Hi-WAYS will bring us together
in many a reunion that will always be
young and gay.

Birthday Party For Mrs. Brunson

Homeroom 109 turned their high-homeroom-in-a-magazines-sales party (they did a wonderful job on magazine sales) into a birthday party for Mrs. Brunson.

The place was the purple classroom. The time, just after (not before) lunch, so that nobody'd be tempted to put "one foot in de trough." Ice cream, pound cake, and homemade mints were served. Mr. Lyles, Miss Burnett, and Miss Weinberg were special faculty guests.

"A good time was had by all," as can be seen from the pictures below.

AT THE "CAKE" TABLE

Beginning on the left and reading clockwise: Sammy Gantt, Miss Weinberg, Ernest Weeks, Ted Lide, Mrs. Brunson, Dick Lee, Miss Burnett, Mack McInnis.
